Matt Brown

Principal Product Architect & AI Systems Designer

214-893-0003 sparkingmatt@gmail.com linkedin.com/in/matte-design matthewbrown.design

Summary

Principal Product Architect with 18+ years spanning Executive Creative Leadership, Enterprise Product Strategy, and Applied AI Architecture. Unique ability to bridge "Vision" and "System"—led creative teams (Group Creative Director), modernized legacy ERPs (Epicor), and currently architect proprietary AI engines processing 100k+ docs/day. I speak the language of compliance/P&L (Boardroom) and Agents/React (Engineering).

AI Architecture & Ventures

Co-Founder / Lead Architect **2023 – Present**

Fr8 Document Engine *Proprietary IP*

- Architected document processing engine handling 100,000+ logistics documents daily across multiple carrier formats
- Defined compounding templates and "bucket" taxonomies allowing AI to orient without client-specific retraining
- Designed Human-in-the-Loop workflows where the system learns from exceptions automatically
- Runs primarily on hardware with tiered cloud fallback—saving tens of thousands daily with high accuracy

Founder **2023 – Present**

Figmant *AI-Powered Website Optimization*

- Engineered compound AI audit system analyzing accessibility (WCAG 2.1 AA), conversion optimization, and design quality through multi-modal input with 251+ API endpoints
- Built enterprise analytics integration connecting GA4, Clarity, Hotjar, Mixpanel with 37 research-backed conversion patterns and ROI impact calculations

Enterprise Experience

User Experience Design Lead **Dec 2024 – Present**

TriumphPay *FinTech / Cash Flow Management*

- Translating complex financial goals (cash flow visibility) into centralized Broker Dashboards
- Solving the "Black Box" problem in factoring by visualizing the why behind approval decisions

Sr. Principal, UX Designer **Oct 2022 – Jan 2025**

Epicor Software *Enterprise ERP Systems*

- Led strategy for modernizing massive ERP modules without breaking critical business logic
- Architected scalable design system for data-dense enterprise environments

Senior UX Designer → Lead UX Designer **Jul 2020 – Dec 2022**

First American *Title Insurance / Regulatory Compliance*

- Enterprise Software UX Design for title insurance industry
- Streamlined internal tools in heavily regulated environment

Director of User Experience **Apr 2018 – Feb 2020**

American First Finance *Consumer FinTech*

- Implemented SDLC and reduced time-to-market by 268%; empowered transition from waterfall to Agile
- Grew customer portal utilization from 2% to 65% by overhauling UX and reducing load times by 800%
- Architected web services saving close to $1.2M in hardware/vendor purchases
- Developed and shipped four new-to-market products across WordPress, Magento, Shopify, Vue, Angular, React

Leadership Foundation

Director & Founder **Dec 2014 – Jan 2017**

Aloha Travel Ltd. *Travel Tech / Acquired by FareHarbor*

- Built FareHarbor into the travel industry's top booking software, leading to acquisition
- Delivered 800% sales increase across client portfolio by streamlining UX with mobile-first design
- Built a $20.1M revenue channel by designing and launching three mobile apps for Expedia partnership
- Won Webby Award, HOW Award, and two Awwwards.com Awards

Group Creative Director **Jan 2012 – Dec 2014**

WorldVentures Holdings *$600M Global Company*

- Led conception, development and launch of B2B and B2C digital products
- Built and developed a six-member team into an organization of 40+ designers, art directors, and UX professionals
